Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Historic Hadley: A Story of the Making of a Famous Massachusetts Town Ove of one s own town is one of the dominant motives underlying good citizenship. The origin, growth, and development of a typical New England town, covering two centuries and a half, is a theme on which any thoughtful person may profitably dwell. In these busy days, however, few people have the time necessary to read a ponderous volume. For the many rather than the few this little book has been written. The lands of the early settlers of Hadley are pass ing into the possession of the children of aliens, and the town-meeting, church, school, and homes are for these strangers to control. This book is for these also, that they may be imbued with the spirit of those mighty souls, which remains still potent enough to make Americans out of Europeans, even as in 177 6 it made patriots and freemen out of the subjects of King George.
