Like the other monographs in the Combat Studies Institutes Global War on Terrorism Occasional Paper series, Public War, Private Fight The United States and Private Military Companies provides another case study for use by modern military leaders to help them prepare themselves and their soldiers for operations in the current conflict. This work examines the widespread use of contractors by the military to help fill the massive and complex logistical requirements of a modern military force. Ms. Kidwell examines the use of Private Military Companies (PMC) as far back as the American Revolution and follows their evolution through the War with Mexico, the Civil War, the Spanish-American War, and the first Gulf War. She then analyzes the use of PMCs in Operation ENDURING FREEDOM and Operation IRAQI FREEDOM. Ms. Kidwell concludes that PMCs will be an increasingly important facet of US military operations for the foreseeable future; however, the use of contractors on the battlefield is not a panacea for all logistics problems. Logisticians, contractors, and military leaders who have responsibility for such operations in the current conflict against terror will...
