Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

THE LOST TREASURE OF THE TEMPLARS

Signet Book, United States, 2015. Paperback. Book Condition: New. 190 x 108 mm. Language: English . Brand New Book. The national bestselling author of *The Lost Testament* returns with the first novel in a thrilling new series about the powerful secrets of the Knights Templar and a conspiracy too shocking to believe. In a quiet English seaside town, antiquarian bookseller Robin Jessop has acquired an odd medieval volume. What appears to be a book isn't a book at all, but a cleverly disguised safe, in which she finds a single rolled parchment, written in code. For encryption expert David Mallory, the text is impenetrable. Until an invaluable clue opens the door to a mystery, and a conspiracy, stretching back seven centuries, when the most powerful man in Europe declared war on the most powerful clan, the Knights Templar. Now, Jessop and Mallory find themselves on a global hunt for an unsurpassed treasure and this much closer to the keys to secrets that could change history, topple an empire, and bury them both alive. Because they're not only the hunters. They're also the hunted.
