(a) ACF should implement a quality assurance system to assure onsite reviews are being conducted as intended to provide ACF with objective and accurate data about grantees. As noted above, in fiscal year 2005, ACF will be implementing a quality assurance system designed to enhance consistency and quality among both regional offices and reviewers. Specially trained review teams made up of some of the best reviewers in the country will visit grantees that have been monitored within the last few months. A complete monitoring review will take place; the results of which will be shared with the responsible ACF regional office. This process will allow us to make more informed, professional judgments about the reliability of our current monitoring teams; including individual reviewers and Federal team leaders. We believe this ap-proach will help enhance the process of achieving more complete, more accurate, and more consistent monitoring outcomes. 4. (b) ACF should assure the accuracy of its data collection forms. ACF and others rely upon the annual Program...
