Broadway Books. Paperback. Condition: New. 408 pages. Dimensions: 7.9in. x 5.1in. x 1.0in. A harrowing portrait of a largely forgotten campaign that pushed one battalion to the limits of human suffering. Despite their lack of jungle training, the 32nd Divisions Ghost Mountain Boys were assigned the most grueling mission of the entire Pacific campaign in World War II: to march over the 10,000-foot Owen Stanley Mountains to protect the right flank of the Australian army during the battle for New Guinea. Reminiscent of the classics like *Band of Brothers* and *The Things They Carried*, *The Ghost Mountain Boys* is part war diary, part extreme-adventure tale, and through letters, journals, and interviews part biography of a group of men who fought to survive in an environment every bit as fierce as the enemy they faced. This is one of the great untold stories of the war. Superb. Chicago Sun-Times Campbell started out with history, but in the end he has written a tale of survival and courage of near-mythic proportions. America in WWII magazine In this compelling and sprightly written account, Campbell shines a long-overdue light on the equally deserving heroes of the Red Arrow Division. Military.com This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
