The British Library Publishing Division, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Mr Wills Crofts is deservedly a first favourite with all who want a real puzzle - Times Literary Supplement He always manages to give us something that really keeps us guessing - Daily Mirror George Surridge, director of the Birmingham Zoo, is a man with many worries: his marriage is collapsing; his finances are insecure; and an outbreak of disease threatens the animals in his care. As Surridge s debts mount and the pressure on him increases, he begins to dream of miracle solutions. But is he cunning enough to turn his dreams into reality - and could he commit the most devious murder in pursuit of his goals? This ingenious crime novel, with its unusual inverted structure and sympathetic portrait of a man on the edge, is one of the greatest works by this highly respected author. The elaborate means of murder devised by Crofts s characters is perhaps unsurpassed in English crime fiction for its ostentatious intricacy.
