Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Amazon Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. From the author who brought us the unforgettable Waverly Bryson and the bestselling Perfect on Paper series. Bestselling author Cassidy Lane walks into her twentieth high school reunion with several novels under her belt, but no date on her arm, and deep down she still feels like the smart girl no one asked to the prom. Then handsome Brandon Forrester confesses his teenage crush, and soon Cassidy finds herself swept up in a modern-day fairytale romance not unlike the tales she spins for a living. While their relationship blossoms, however, the new book she's writing isn't going as well, and for the first time in her career she considers crafting an ending that doesn't end with a proverbial walk into the sunset. Contemplating the simultaneous reversal of her own romantic fortune and that of her protagonist's is daunting, but maybe it's time for both her writing and her personal life to take a new path. Or is it? Filled with Murnane's trademark wit and optimism, a charming cast of secondary characters, and loads of heart, Cassidy Lane will have you cheering for its heroine down to the very last delightful word.
