The High Rollers are ready to take revenge against the forces aligned against them. A hard and long winter has forced them into hiding, but has also given them a respite from something far worse than they've battled so far. The Noah Initiative has begun, and the land will soon be devastated by a new virus. The forces lined up against the High Rollers are fighting among themselves as well, and everyone is at risk. This isn't just a fight for survival anymore. It's a fight to save the entire human race. This is the final book of the epic Deadlocked series, which has traced the apocalypse from its outset to the dark days far beyond the end. Who, if anyone, will make it out alive?.
