Bottom Of The Hill Publishing Sep 2012, 2012. Taschenbuch. Book Condition: Neu. 203x127x3 mm. This item is printed on demand - Print on Demand Neuware - This small volume contains truth-God's truth. Truth in a variety of forms. Truth clothed in simple language. Truth illustrated by plain figures. Truth for the head, and truth for the heart. Truth that has been tasted, handled, and felt by the writer; and is now affectionately commended to the reader. Reader, before you turn over the pages of this book, look up and ask God for a blessing. No book will yield you spiritual profit without it. Ask the Holy Spirit to accompany what you read with his own power, savor and unction; and if your prayer is answered, you will bless God that you ever saw it. Beseech the Lord, not only to bless it to you-but to render it useful to others: to multitudes of your fellow men. In vain we write, or read, without the power of the Holy Spirit; but if favored with that, the meanest instrument is efficient-and this little book will be successful. When you have read the book-then lend it! If you can afford it, purchase a few copies to distribute among your relatives, friends, acquaintances, or neighbors. Follow the gift of every copy with much prayer, and when you pray for the book, ask the Lord in mercy to bless the author. James Smith 60 pp. Englisch.
