Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

Vintage Books Canada, Toronto, ON, Canada, 2004. Soft cover. Condition: New. McIntosh, Iain (illustrator). 128 pages. Book Description: A deliciously entertaining new series by the bestselling author of The No. 1 Ladies Detective Agency The many fans of Precious Ramotswe will find further cause for celebration in the protagonist of Alexander McCall Smith's irresistibly funny trilogy, the eminent (if shamefully under-read) philologist Professor Dr. Mortiz-Maria von Igelfeld of the Institute at Regensburg. Unnaturally tall, hypersensitive to slights, and oblivious to his own frequent gaucheries, von Igelfeld is engaged in a never-ending quest to win the respect he knows is due him. Portuguese Irregular Verbs follows the Professor from a busman's holiday researching old Irish obscenities to a flirtation with a desirable lady dentist. In The Finer Points of Sausage Dogs, von Igelfeld practices veterinary medicine without a license, transports relics for a schismatically challenged Coptic prelate and is mobbed by marriage-minded widows on board a Mediterranean cruise ship. In At the Villa of Reduced Circumstances, the final novel in the trilogy, we find our hero suffering the slings of academic intrigue as a visiting fellow at Cambridge, and the slings of outrageous fortune in an eventful Columbian adventure. About the Author Alexander McCall Smith is Professor of Medical Law at the University of Edinburgh and the author of over fifty books. These range from specialist titles such as Forensic Aspects of Sleep to The Criminal Law of Botswana and The Children of Wax, a collection of African folk tales. But he is best known for writing The No. 1 Ladies Detective Agency series, which has achieved bestseller status on four continents.
