

Military Hygiene and Sanitation (Classic Reprint) (Paperback)

By Charles H Melville

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Military Hygiene and Sanitation This short treatise on Military Hygiene and Sanitation is founded on the lectures delivered by me while Professor of Hygiene at the Royal Army Medical College. I have not attempted to deal in detail with all the problems of hygiene, and in particular I have omitted - as, for instance, in the question of house drainage - those which are liberally treated in the ordinary textbooks. In considering the prevention of infectious diseases, also, I have limited myself to those which are most important in war. I have not therefore discussed such ailments as Malta fever and Tuberculosis, for instance, with, which the army is concerned mainly in peace-time, under conditions not differing materially from those which confront the Medical Officer of Health in civil practice. I have to acknowledge much kind assistance from Captain N. Dunbar Walker, Royal Army Medical Corps, who has helped me greatly with suggestions and in the preparation of some of the plates.
