## ADSORPTION AND THE GIBBS SURFACE EXCESS

Book Condition: New. Publisher/Verlag: Springer, Berlin | The subject matter of this book is not entirely new in that much has been written about the state of the interfacial chemistry in other textbooks. However, the authors have found that there is really a need for a book which can lead an investigator, a student, or a beginner through the in-depth understanding and descriptions involved in the derivations and usage of the adsorption equations based on the unified concept of...
