How to Cure A Sexless Marriage Lolita and Michael are in many ways a fairly typical couple. They meet from a lucky online matchup, and quickly fall in love, before pursuing a whirlwind romance that ends in marriage. But, unfortunately, its not all happily ever after for the couple. Fairly soon Lolita is dismayed to find that theyve stopped having sex, and indeed stopped being intimate with one another at all. Lolita and Michael fall into a sexless marriage a situation that will be familiar to almost ten percent of married couples in the western world, and one that gives them every cause for despair. This guide explores the reasons for a sexless marriage, and suggests ways in which to remedy it, and fight against its corrosive effect on the love between a married couple. Read on to find out how Lolita and Michael resolve their differences. . . and also to discover tips, tricks and secrets that will enable you to put a sexless marriage back on the tracks, as well as build new and closer bonds with your partner, and ensure that you both have a mutually loving and sexually fulfilling relationship that will last for many years to come.
