*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ANOMALY

Entangled Publishing, LLC. Paperback. Book Condition: new. BRAND NEW, Anomaly, Tonya Kuper, What if the world isn't what we think? What if reality is really only an illusion? What if you were one of the few who could control it? Yeah, Josie Harper didn't believe it, either, until strange things started happening. When this hot guy tried to kidnap her, shouting about ultimate observers and pushing and consortiums hell-bent on controlling the world. Well, that's when things got real. Now Josie's got it bad for a boy who weakens her every time he's near and a world of enemies on her tail who want to control her gift, so yeah, she's going to need more than just her wits if she hopes to survive much longer. Einstein never saw this coming.
