## VIKU TO THE RESCUE A STORY FROM THE FORESTS OF INDIA

[DOWNLOAD](#)

Bo-Tree House. Paperback. Book Condition: New. Lynn Wolfe (illustrator). Paperback. 54 pages. Dimensions: 9.8in. x 7.9in. x 0.2in. Viku to the Rescue continues the story of Vikus adventures begun in Viku and the Elephant. Viku lives at the edge of a forest in India. He becomes friends with an elephant by saving him from a snake. The elephant makes only two sounds a happy trumpet and a sad cry but the two friends understand each other very well. Stories of their adventures unfold quickly. In the first book, Viku and the Elephant, they thwart the evil plans of ivory thieves. In Viku to the Rescue, Viku rescues his friend from elephant-catchers by sheer perseverance and his intimate knowledge of the forest. These Viku stories tell us about life in another culture. This book works well as a read aloud story for young children, is suitable for early readers (2nd and 3rd grades), and is an excellent chapter book for 4th and 5th graders. Praise from Librarians and National Award Winning Teachers! loved Viku to the Rescue even more than the first book, Viku and the Elephant! I so identified with Viku wanting to save his friend and the obstacles he encountered. . . . Its important that children get a sense of self reliance. . . lovely illustrations too. It is simply a beautiful story for children and the book would be useful in a classroom. In my opinion, its a lot better than so many books on the market today. Feeny Watt, Former childrens librarian, Santa Fe Public Library and currently reference librarian, Salt Lake County, Utah. Debu Majumdar flawlessly interlaces the theme of friendship, culture, religious and family traditions of India in this charming, fictional tale. Readers sympathize with Viku as he faces multiple challenges in freeing his elephant...
