MURDOCH BOOKS, Australia, 2015. Paperback. Condition: New. Language: English . Brand New Book. On Tiney Flynn s seventeenth birthday, every church bell tolled as if heralding a new year, a new era. Tiney stood in the garden, purple jacaranda petals fluttering down around her. One by one, her sisters came outside to join her; first Nette, then Minna and lastly Thea. It was 11 November 1918. Armistice Day. For Tiney and her sisters, everything is about to change, but not in the way they might have imagined. Building peace is complicated; so is growing up. From tragedy to undreamt-of joy, from weddings to seances, from masked balls to riots in the streets, Tiney s world will be transformed. At the end of the war and the dawn of the Jazz Age, Tiney Flynn must face her greatest fears and begin a journey that will change her destiny. I loved this book for its emotional intensity, for the strong, believable characters and for its accurate portrayal of a period in history so often forgotten. Maureen McCarthy.
